6. (Unclassified - LLM) Called Thomas Graves, Office of Management and Budget, and told him that the Agency did not have any proposals for legislation to be circulated among State legislatures in 1974, and it was agreed that we would send a short note to this effect to close out OMB's 21 February 1973 request on this matter.

7. (Unclassified - LLM) Called Robert Hull, Department of State, to get an idea of the tack that State would be taking on the Roncallo bill (H. R. 4294) which would credit double retirement time for periods of separation as a prisoner of war or in a missing person status during the Vietnam conflict. Hull said that State's position will be consistent with that of Defense in the response to Chairman Hebert's request for views on the legislation--defer the matter until all the prisoners are returned and all the missing accounted for.

8. The speech will follow the understanding resulting from Holifield's letter to the Director and the Director's reply, both of which will be entered into the Record. Roback asked if Chairman Nedzi had been briefed on this matter and I assured him that he had.
